Membership Services Internship at EAZA

Are you looking for an internship in a unique field, with flexible working hours, and self-driven challenges?

The European Association of Zoos and Aquaria is seeking 1-2 summer interns to work on projects related to membership services. The right candidate would be self-driven, comfortable with taking instruction, familiar with Microsoft Office365, and working with confidential, sensitive information. The intern would be required to sign a Non-Disclosure Agreement in regards to this information.

The tasks will be focused mostly on surveying member and non-member facilities, creating data sets, and identifying trends. There will also be more simple tasks of compiling data from existing internal documents and updating databases.

Time requirements are flexible, but assigned projects must be completed by end of 2017. This position is unpaid. The office is located in central Amsterdam, open M-F 9:00-17:00. The expected time requirement is 12-24 hours a week.

Please contact david.williams-mitchell@eaza.net or sofieke.bouwman@eaza.net for more information.
