

## **Deputy Section Head: Hoofstock & Carnivores**

**£351 pw**

Twycross Zoo, based in Leicestershire, is a Registered Charity and a home to over a thousand animals of 250 different species. We have exciting plans for developing the Zoo further, continuing our work in conservation of endangered species and providing the very best environment that we can. Our animal management is made up of 7 sections and we currently have a vacancy for a Deputy Section Head of the Hoofstock & Carnivores Section. The Section's animals include lion, leopard, dhole, otter, meerkat, giraffe, camel, vicuna, tapir and capybara.

The role is as a "hands on" Keeper across the whole Section as well as supporting the Section Head as she supervises the other 6 Keepers on the Section. You will have considerable experience as a keeper and show the ability to help run a section using appropriate supervisory skills. You must be able to demonstrate a substantial working knowledge of the natural history and management of at least one species on the section.

Benefits include 31 days holiday, uniform, 5% pension contribution and the possibility of on-site accommodation.

If you are interested, please send your CV with a covering letter to Human Resources, Twycross Zoo, Atherstone CV9 3PX or e-mail to [recruitment@twycrosszoo.org](mailto:recruitment@twycrosszoo.org). Closing date: as soon as we find the right person.
