

EAZA – OPPORTUNITIES FOR COMMERCIAL SUPPLIERS

Information produced for 2023 Membership year

EAZA is a non-profit organisation that represents and links more than 400 zoos, aquaria, and other organisations in 48 countries.

There is a whole network of companies working behind EAZA Members supplying them with the essential goods and services that enable them to carry out their activities.

We are pleased to offer a range of opportunities to such companies, whether through one-off advertising or exhibition arrangements or via the longer-term commitment of becoming a Corporate Member*.

EAZA has three different Corporate Membership packages with tailored costs and benefits: Swordfish, Wolverine, and Imperial Eagle.

Companies wishing to take advantage of any of EAZA's commercial opportunities must not permanently own, hold or sell animals as a function of their business.

To apply, please, complete the Application Form

Notes:

- Corporate Membership year runs for 12 months from 1 January each year. Companies joining during the year will pay a pro-rata fee and will be Corporate Members until the beginning of January in the subsequent year.
- Please be aware that this preliminary approval of membership will have to be formalised by EAZA Council, which may take up to six months as Council meets two times a year.
- If Council decides not to accept the preliminary approval, a pro-rata amount of the paid fee will be reimbursed, and the membership terminated.
- Membership is automatically renewed annually unless the Corporate Member sends written confirmation of their intent to withdraw.
- A 3% annual increase is applied to all EAZA membership fees.
