

Post-conference Tour: Hortobágy National Park

Saturday, 5 May 2018, 8:30-19:00

Price: €80 p.p. (Minimum number of participants: 10)

Discover the unique flora and fauna of the Hortobágy National Park during this full day field trip. Leaving Budapest early in the morning by bus allows us to spend the whole morning wandering on the Puszta, and a jeep-tour to visit the free-range herd of Przewalski horses in the Pentezug Wilde Horse Reserve. More info on the Przewalski project: <http://www.hnp.hu/en/szervezeti-egyseg/conservation/oldal/breeding-of-the-przewalski-is-horse>.

After a traditional lunch, we continue our day with bird-watching at the fishpond area. There are 380 species of birds observed so far in Hungary, with 325 species accepted for the Hortobágy. There are 266 species recorded in Hortobágy-Halastó fishponds with 68 breeding species. After this day full of adventures and experiences, we're heading back to Budapest in the afternoon, estimated arrival at 19.00. Bus transportation, entrance fees, snacks, lunch, beverages, English speaking guide and 27%VAT is included in the price.
