

EAZA – OPPORTUNITIES FOR COMMERCIAL SUPPLIERS

EAZA is a non-profit organisation that represents and links more than 410 zoos, aquaria and other organisations in 47 countries. There is a whole network of companies working behind EAZA members supplying them with the essential goods and services that enable them to carry out their activities. We are pleased to offer a range of opportunities to such companies, whether through one-off advertising or exhibition arrangements or via the longer term commitment of becoming a Corporate Member*.

Companies wishing to take advantage of any of EAZA's commercial opportunities must not permanently own, hold or sell animals as a function of their business.

**To apply, please, complete the application
form on the last page!**

Notes:

*The corporate membership year runs for 12 months from July 1st. Companies joining and paying the fee between January and June in any particular year will be Corporate Members until the end of June in the subsequent year. Please be aware that this preliminary approval of membership will have to be formalised by EAZA Council, which may take up to six months as Council meets two times a year. If Council decides not to accept the preliminary approval, a pro rata amount of the paid fee will be reimbursed and the membership terminated.
