

JOB OFFER

REPTILE KEEPER

MINIMUM REQUIREMENTS

Ample experience with reptiles

Specially capturing, managing and/or treating large crocodilians

Experience performing exhibitions

and dealing daily with the client's questions/comments

Great ability to work as part of a team

including having good communication and attitude towards hard work

ADDITIONAL ATTRIBUTES WE VALUE

**Spanish and English spoken at a native
or at least very high level**

(other languages will also be valued)

Organization and adaptation skills

Mental plasticity

having the ability to work with people from different backgrounds in complicated situations

Oasis Wildlife Fuerteventura has one of the largest groups of Nile crocodiles (*Crocodylus niloticus*) in Europe. We also have an exhibition where reptiles are shown that will be soon merged with psittacids. The department works in collaboration with the birds of prey department. The majority of your day will be with reptiles but you will also work with birds of different kinds.
