

# JOB OFFER

## SOUTH AMERICAN SEA LION KEEPER

---

### MINIMUM REQUIREMENTS

Organisational skills and discipline

Openwater diving certificate (min.)

Experience managing South American  
Sea Lions

Experience as leader of a work group

### ALSO VALUED

Knowledge in filtration and cleaning  
seawater pool systems

Working with the public and/or doing  
exhibitions

---

We have a newly formed team which needs a new component that has experience managing sea lions and leadership capability.

Since there has been a large reduction in personnel, all the components of the team need to be involved in cleaning and disinfecting the enclosures, as well as treating the animals that need it and train the 13 sea lions that live in Oasis Wildlife Fuerteventura.

If you want to be a part of this team please send your CV and recommendation letters to :

### WORKING CONDITIONS

30 days holidays per year

2 days off per week

08:00-16:00 daily (variable)

Salary depending on experience and work agreement
